Dear Consultee,

Consultation on the proposed Channel Non-Quota Demersal Fisheries Management Plan (FMP)

I am writing to invite views on the Channel Non-Quota Demersal Fisheries Management Plan and its associated Environmental Report.

This consultation is an opportunity for you to help shape and influence the future of Channel Non-Quota Demersal management policy in England and builds upon previous engagement with industry.

The consultation survey has four parts:

1. Personal details and confidentiality (required)
2. Questions on the proposed Channel Non-Quota Demersal FMP
3. Questions on the Channel Non-Quota Demersal FMP environmental report
4. Consultee feedback on the Online Survey (required)

You only need to respond to the questions that you wish to answer. There is a mixture of general and specific questions. However, all respondents must complete the required 'Consultee Feedback on the Online Survey' and 'personal details and confidentiality' sections before you are able submit your response to the online survey. We welcome any further information and evidence to support this work - you can supply that directly via FMPconsultations@defra.gov.uk.

The following documents can be found on [Channel Non-Quota Demersal Citizen space](#):

- Channel Non-Quota Demersal FMP Consultation document
- Proposed Channel Non-Quota Demersal FMP & Associated Annexes
- Channel Non-Quota Demersal FMP Environment Report
- Channel Non-Quota Demersal FMP De Minimus Impact Assessment

There is also a short Executive Summary of the FMP and a non-technical summary of the Environmental Report.
