Dear Consultee,

## Consultation on proposed King Scallop Fisheries Management Plan for England and Wales

I am writing to invite views on the proposed King Scallop Fisheries Management Plan (FMP) and its associated Environmental Report for England and Wales.

This consultation is an opportunity for you to help shape and influence the future management policy of our King Scallop fisheries in England and Wales. The consultation builds upon previous engagement with the King Scallop fishers and other stakeholders with an interest in the fisheries during the preparation of the proposed FMP.

The consultation survey has four parts:

1. Personal details and confidentiality (required)
2. Questions on the proposed King Scallop FMP
3. Questions on the proposed King Scallop FMP Environmental Report
4. Consultee feedback on the Online Survey (required)

You only need to respond to the questions that you wish to answer. There is a mixture of general and specific questions on the proposed FMP and the Environmental Report. However, all respondents must complete the required 'Consultee Feedback on the Online Survey' and 'personal details and confidentiality' sections before you are able submit your response to the online survey. We welcome any further information and evidence to support this work - you can supply that directly via [FMPconsultations@defra.gov.uk](mailto:FMPconsultations@defra.gov.uk).

The following documents may be found on [King Scallop Consultation Citizen space](#):

- King Scallop Consultation Document

- King Scallop Environment Report
