
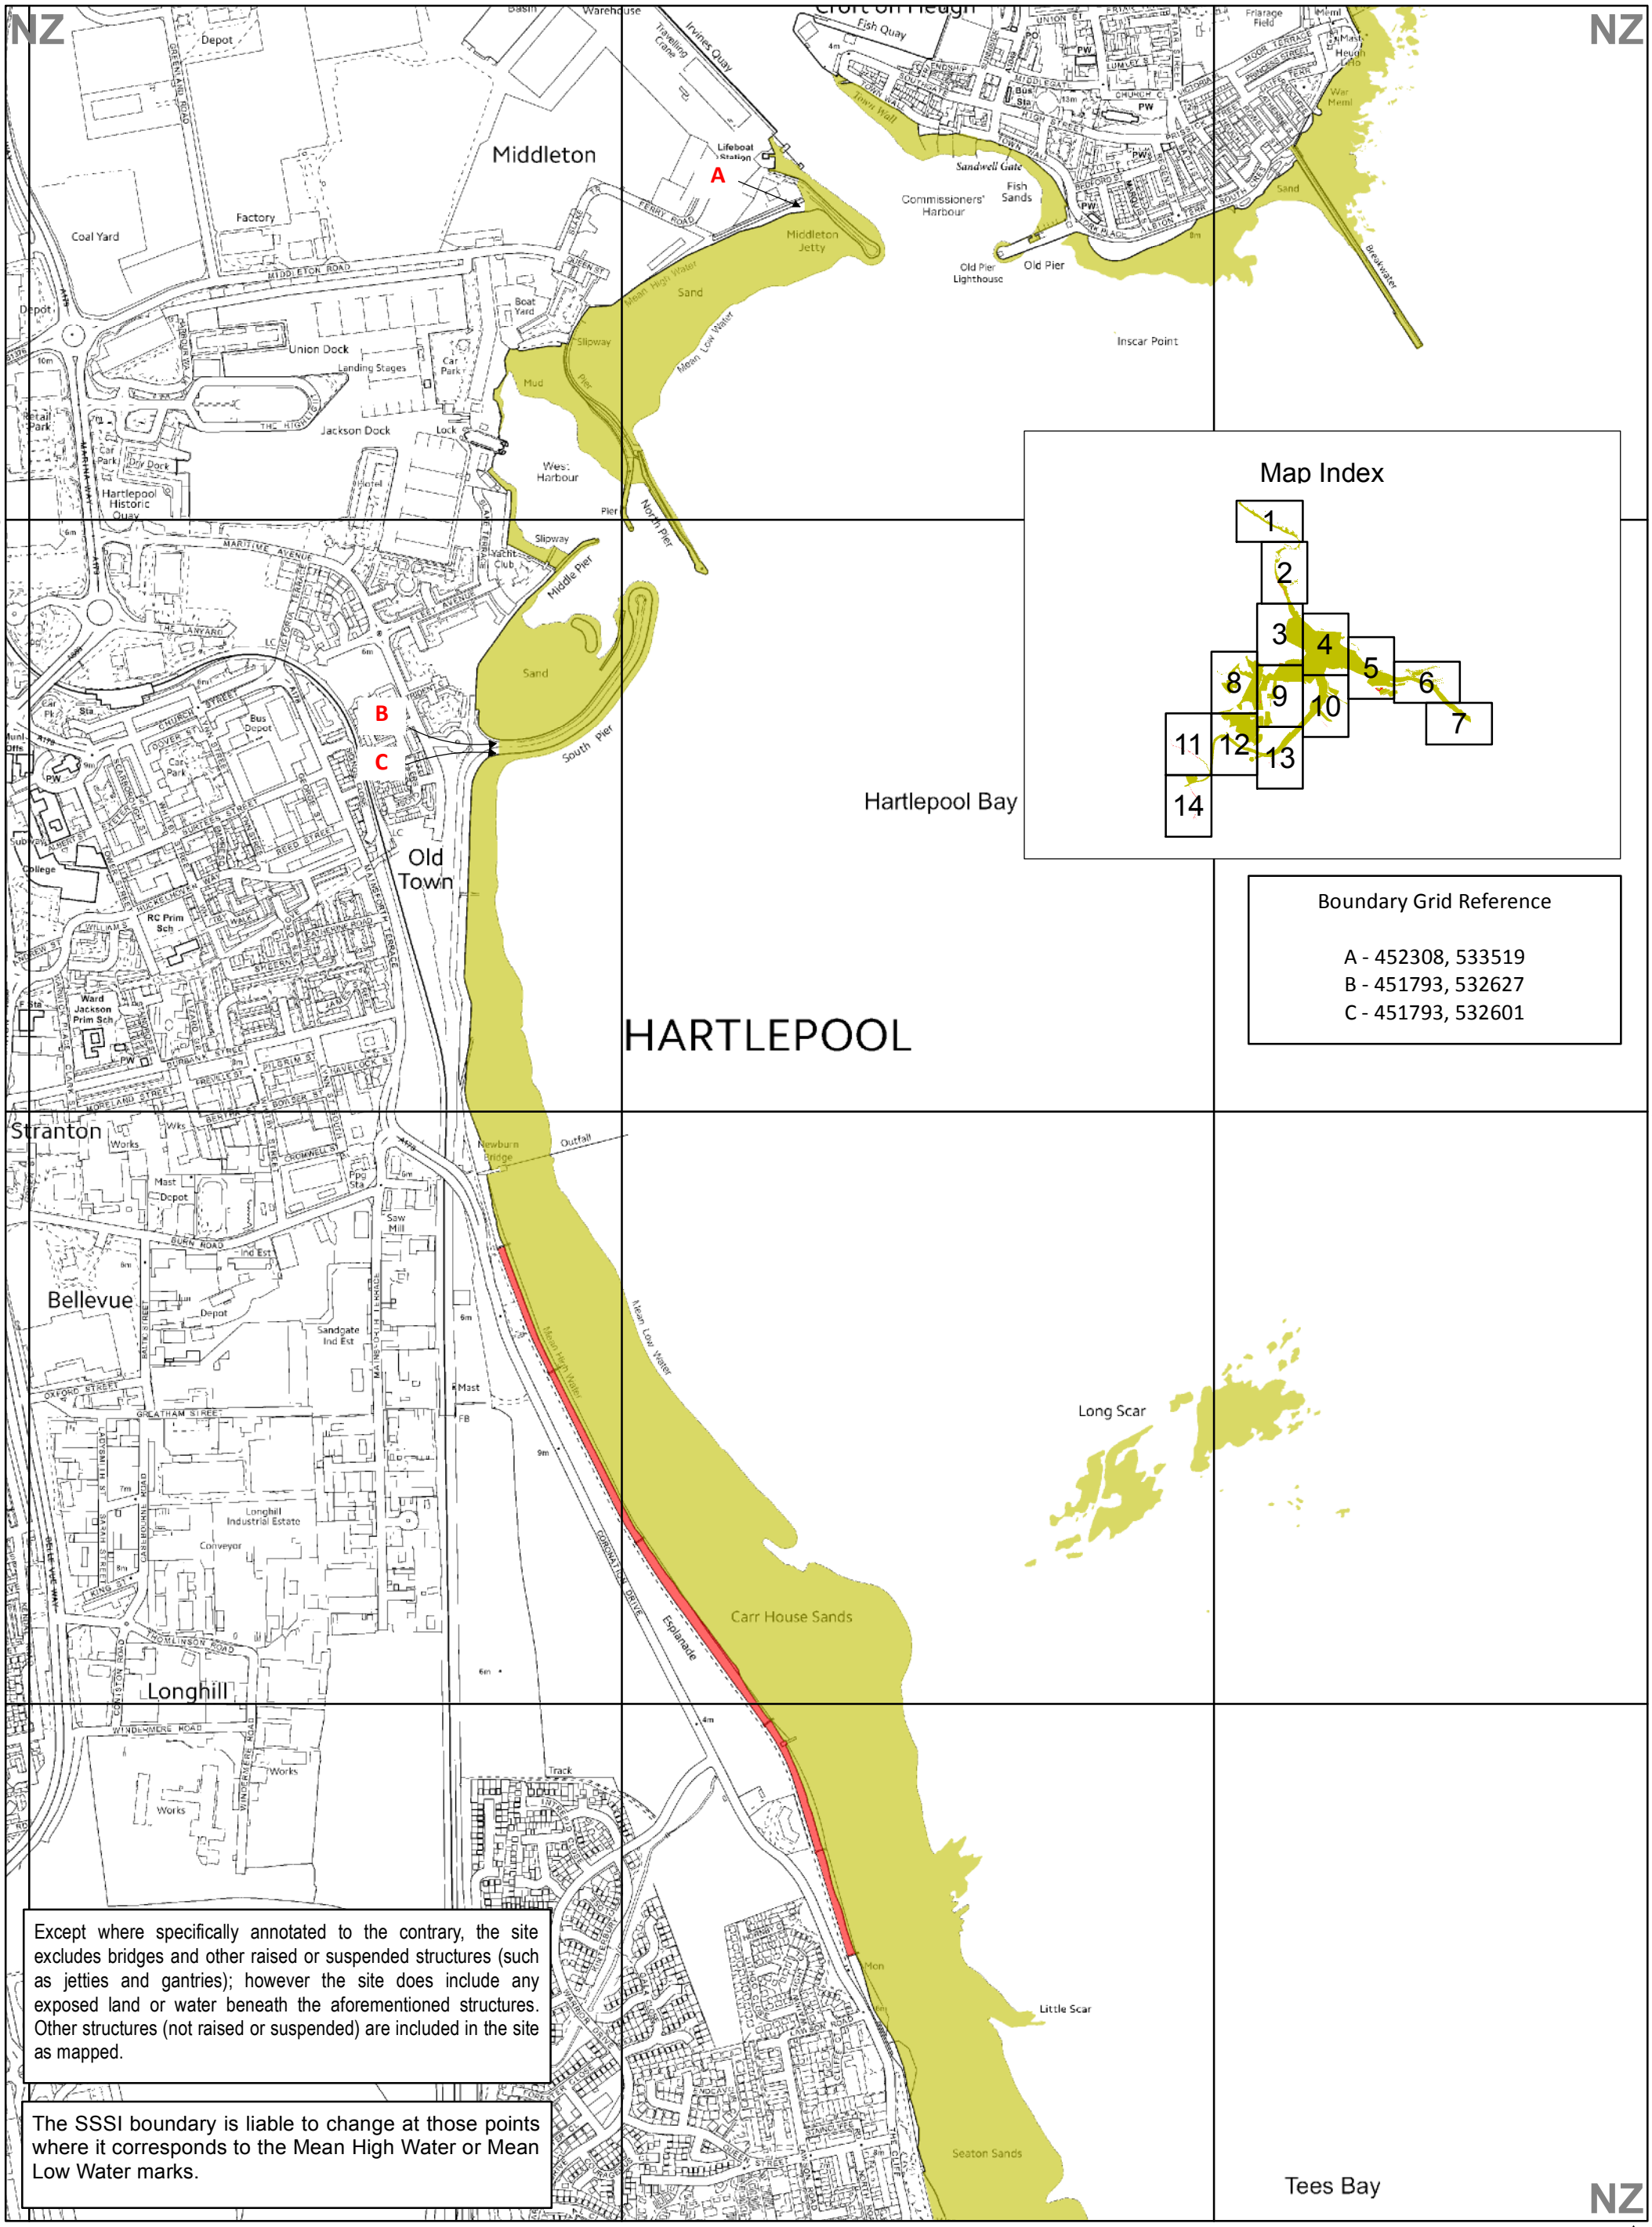
Note:
The boundary shown is derived from large scale Ordnance Survey Mastermap, and may not match the background detail on this map. Definitive larger scale maps are available on request.



Except where specifically annotated to the contrary, the site excludes bridges and other raised or suspended structures (such as jetties and gantries); however the site does include any exposed land or water beneath the aforementioned structures. Other structures (not raised or suspended) are included in the site as mapped.

The SSSI boundary is liable to change at those points where it corresponds to the Mean High Water or Mean Low Water marks.
