Register entry UK9009244 under Regulation 17 of The Conservation of Habitats and Species Regulations 2017

This is the register entry for the European site known as **Crouch and Roach Estuaries (Mid-Essex Coast Phase 3)** in the Region of south Essex. This area has been classified by the Secretary of State for Environment, Food and Rural Affairs pursuant to Article 4(1) or 4(2) of the Wild Birds Directive (Council Directive 2009/147/EC) as a Special Protection Area. The register reference number for this European site is UK9009244 and a folder, kept under this reference as part of this register, contains a map of the European site and a citation, both signed by myself, giving the reasons for classification of the site as a Special Protection Area.

Other details of the European site are as follows:

Classified as a Special Protection Area: 1995, revised 11 July 2018

Site centre location¹

Longitude: 0° 41' 12" E

Latitude: 51° 38' 4" N

Area: 1,847.87 ha

Priority status²: Yes

Date of registration: 11 July 2018

Signed: _____

on behalf of the Secretary of State for Environment, Food and Rural Affairs

¹ This indicates the approximate centre of the site. Where the European site consists of several distinct areas, the coordinates of the most important sub-area are entered.

² This indicates whether the site has been identified under Article 4.2 of the Habitats Directive (Council Directive 92/43/EEC) as hosting one or more priority natural habitat types or priority species.
