NOTICE OF RELEVANT AUTHORITY DECISION FOLLOWING CONSULTATION ON A PROPOSED LONG-TERM RESTRICTION OF CROW ACCESS

Prepared by Forestry Commission

Case reference number: 2017088499
Name of site/land parcel: **Harwood Forest – Harwood Village**
Grid reference: NZ000908
Access authority: Forestry Commission
Local access forum: NE England
Consultation began: 26/09/17
Consultation ended: 24/10/17

Date of direction notice: **06/11/17**

The Forestry Commission has now decided how to proceed following its consultation about a proposed direction to restrict CROW access on this land. The relevant authority's decision is to give a direction restricting CROW access in the way it originally proposed. This is because it is necessary to restrict CROW access to this extent to prevent danger to the public.

A copy of the direction is enclosed for your information. Details of the restriction will appear on the relevant map of access land on the Open Access website at <http://www.naturalengland.org.uk/openaccess>.

Where a direction restricts access indefinitely, for more than five years, for part of every year, or for part of at least six consecutive years, we are obliged to review it within five years of the date of issue.

Justification for direction

- Official closure of CROW land is needed to exclude the public for safety reasons as timber harvesting operations are extremely hazardous.
