

## Countryside and Rights of Way (CROW) Act 2000

### NOTICE OF RELEVANT AUTHORITY DECISION FOLLOWING REVIEW OF DIRECTION RESTRICTING CROW ACCESS RIGHTS

Prepared by Natural England

**Access authority:** Buckinghamshire County Council  
**Relevant authority:** Natural England  
**Local access forum:** Buckinghamshire LAF

**Direction reference:** 2009040042

Land Parcel Name	Direction Reference	Details of restriction on original direction
Lower Horseshoes Farm near West Wycombe	20090100011	1 <sup>st</sup> October -1 <sup>st</sup> February each year. Commencing on 1 <sup>st</sup> October 2012 and expiring on 1 February 2018. Weds and Saturday only.

Natural England has now decided how to proceed following its review of the above mentioned long-term direction to restrict CROW Access rights on this land. A second consultation has been held between 02/02/2017 and 28/02/2017. We received no feedback:

#### **Outcome of the review:**

Natural England has therefore decided that there should still be a restriction on site until 1<sup>st</sup> February 2023. The restriction only applies for walkers to keep to marked routes on given days. This is to avoid disturbance to game used for lowland game shooting.

The Relevant Authority must still review the direction no later than five years after its anniversary (or from the date of the last review) so unless any new information came to light in the interim period, the cases would have to be reviewed before they expired.
