

Countryside and Rights of Way (CROW) Act 2000

NOTICE OF RELEVANT AUTHORITY DECISION FOLLOWING REVIEW OF DIRECTION RESTRICTING CROW ACCESS RIGHTS

Prepared by Natural England

Access authority: Hampshire
Relevant authority: Natural England
Local access forum: New Forest National Park LAF

Direction reference: 2009040042

Land Parcel Name	Direction Reference	Details of restriction on original direction
Twin Oaks Farm	2009040042	Land excluded for walkers with dogs for land management purposes at all times

Natural England has now decided how to proceed following its review of the above mentioned long-term direction to restrict CROW Access rights on this land. A second consultation has been held between 03/06/2019 and 28/06/2019. We received no feedback:

Outcome of the review:

Natural England has therefore decided that there should still be a restriction on site until 19th October 2025. The restriction only applies for walkers with dogs. This is to avoid disturbance to livestock that occupy the site at all times.

The Relevant Authority must still review the direction no later than five years after its anniversary (or from the date of the last review) so unless any new information came to light in the interim period, the cases would have to be reviewed before they expired.

Summary of changes made to the existing directions:

Land Parcel Name:	Details of restriction on original direction:	New details of restriction
Twin Oaks Farm	20/10/2014 – 19/10/2019	20/10/2019 -19/10/2025

Details of the restriction will appear on the relevant map of access land on the Open Access website:

www.openaccess.naturalengland.org.uk/wps/portal/oasys/maps/MapSearch.

You should note that the applicant has the right to appeal within six weeks against our decision not to act in accordance with the application originally submitted to us. Only the applicant can appeal against this decision. Details of any appeal will appear on the Planning Inspectorate's website at www.planning-inspectorate.gov.uk/

Where a direction restricts access indefinitely, for more than five years, for part of every year, or for part of at least six consecutive years, we have a statutory duty to review it within five years of the date of its issue.
