Prepared by Natural England

**Access authority:** Hampshire County Council

**Relevant authority:** Natural England

**Local access forum:** Hampshire

**Direction reference:** [insert reference]

Land Parcel Name	Direction Reference	Details of restriction on original direction
Twin Oaks Farm	2009040042	Start Date: 20/10/2019 End Date: 19/10/2025

Natural England has now decided how to proceed following its review of the long-term direction to restrict open access rights on this land. A consultation was held between 18/09/2024 & 16/10/2024 with statutory consultees and the general public. We did not receive any comments

#### **Outcome of the review:**

Natural England's decision is to leave the original direction unchanged in the way it was originally proposed and extend the end date for a further six years.

The land at Twin Oaks Farm is constantly grazed with sheep and cattle and is under 3 ha and therefore dogs are excluded.

Natural England's policy for long-term directions is that they should not be given for a period of more than six years. Therefore, the original direction will be extended to an end date of 13/11/2030

Land Parcel Name:	Details of restriction on original direction:	New details of restriction
Twin Oaks Farm	Start Date: 20/10/2019 End Date: 19/10/2025 No dogs	Start Date: 13/11/2024 End Date: 12/11/2030 No dogs

Details of the restriction will appear on the relevant map of access land on the Open Access website - [www.openaccess.naturalengland.org.uk](http://www.openaccess.naturalengland.org.uk).

You should note that the applicant has the right to appeal within six weeks against our decision not to act in accordance with the application originally submitted to us. Only the applicant can appeal against this decision. Details of any appeal will appear on the Planning Inspectorate's website at [www.planningportal.gov.uk/planning/countryside/countryside](http://www.planningportal.gov.uk/planning/countryside/countryside).

Where a direction restricts access indefinitely, for more than five years, for part of every year, or for part of at least six consecutive years, we have a statutory duty to review it within five years of the date of its issue.
