Between 44 and 45 the boundary follows the bottom of the slope.

The site excludes raised or suspended structures (such as bridge decks, jetties and gantries); however the site does include any exposed land or water beneath the aforementioned structures. Other structures (not raised or suspended) are included in the site as mapped. The SSSI boundary (between points 1 and 2 on map 1) is liable to change at those points where it corresponds to the Mean High Water or Mean Low Water marks.
