Dear Consultee,

## **Consultation on the proposal to designate 13 new sites as bathing waters**

I am writing to invite your views on 13 applications to designate new sites as bathing waters under the Bathing Water Regulations 2013 (the 'Regulations'), as amended in 2025. The proposed sites are:

- Little Shore, Amble, Northumberland
- Newton Noss, Devon
- Canvey Island Foreshore, Essex
- Sandgate Granville Parade Beach, Kent
- Queen Elizabeth Gardens Salisbury, Wiltshire
- East Beach at West Bay, Bridport, Dorset
- Pangbourne Meadow, Berkshire
- River Fowey in Lostwithiel, Cornwall
- River Swale in Richmond, Yorkshire
- Falcon Meadow, Bungay, Suffolk
- River Thames at Ham and Kingston, Greater London
- New Brighton Beach (East), Merseyside
- River Dee, Sandy Lane, Chester, Cheshire

Through this consultation, Defra is seeking as wide a range of views as possible as to whether the 13 proposed sites should be added to the list of designated bathing waters in England, in line with the criteria and evidence requirements set out in both the 'Regulations' and published guidance: [Bathing waters: apply to designate or de-designate - GOV.UK \(www.gov.uk\)](https://www.gov.uk/government/publications/bathing-waters-apply-to-designate-or-de-designate).

As well as asking respondents whether they agree, disagree or are neutral about a proposed designation, we are also asking questions about the facilities or infrastructure at

or near each site. This could include things like, for example, parking or changing facilities, or infrastructure such as water company assets or farming infrastructure.
