(a) 1991 c. 56; section 36A was inserted by section 35(1) of the Flood and Water Management Act 2010 (c. 29). Section 213 was amended by section 56(6) of, and paragraph 28 of Schedule 1 to, the Competition and Service (Utilities) Act 1992 (c. 43) and section 35(2) of the Flood and Water Management Act 2010. There are other amendments, but none is relevant.

(b) See the definition of “English undertaker” in section 36E(2)(a) of the Water Industry Act 1991; section 36E was inserted by section 35(1) of the Flood and Water Management Act 2010. The powers to make Regulations in relation to infrastructure which is provided or to be provided for the use of one or more Welsh undertakers are exercisable by the Welsh Ministers. See the definition of “Welsh undertaker” in section 36E(2)(b) of the Water Industry Act 1991. The functions of the Secretary of State under section 213 of the Water Industry Act 1991 were exercisable by the National Assembly for Wales (“the Assembly”) to the same extent as the powers to which that section applies were exercisable by the Assembly by virtue of article 2 of the National Assembly for Wales (Transfer of Functions) Order 1999 (S.I. 1999/672); see the entry in Schedule 1 for the Water Industry Act 1991 as substituted by paragraph (e) of Schedule 3 to the National Assembly for Wales (Transfer of Functions) Order 2000 (S.I. 2000/253) and amended by section 100(2) of the Water Act 2003 (c. 37); there are other amendments but none is relevant. By virtue of section 162 of, and paragraph 30 of Schedule 11 to, the Government of Wales Act 2006 (c. 32), functions conferred on the Assembly are exercisable by the Welsh Ministers. An amendment by the Flood and Water Management Act 2010 of another enactment does not prevent the continued operation of any transfer of functions by or by virtue of the Government of Wales Act 1998 (c. 38) or 2006 irrespective of whether the amendment amends an existing function or confers a new function (see section 49(6)(a) of the Flood and Water Management Act 2010).

(c) Section 36G was inserted by section 35(1) of the Flood and Water Management Act 2010.

(d) S.I. 2013/1582.

“(6) Where any question or other matter falls to be determined by the CMA in pursuance of a provision contained in a project licence held by a licensed infrastructure provider—

(b) shall include definite conclusions on the questions or other matters comprised in the reference, together with such an account of the CMA’s reasons for those conclusions as, in the opinion of the CMA, is expedient for facilitating a proper understanding of those questions or other matters and of the CMA’s conclusions.

(10) Section 15(5) and (6) applies to a report of the CMA on a reference under this section as it applies to a report on a reference under section 14 and, in the application of section 15(5) and (6) by virtue of this subsection, the reference in section 15(5) to a

company appointed under Chapter 1 of Part 2 of this Act is to be treated as a reference to a licensed infrastructure provider.

(11) The functions of the CMA with respect to a reference under this section are to be carried out on behalf of the CMA by a group constituted for the purpose by the chair of the CMA under Schedule 4 to the Enterprise and Regulatory Reform Act 2013(a) (including functions relating to the making of modifications following a report on a reference, and functions under sections 109 to 115 of the Enterprise Act 2002(b), as applied by subsection (8) read with section 14B).”.

**4.** In paragraph 5 (modification of project licences)—

- (a) in sub-paragraph (2), for “Competition Commission” substitute “CMA”; and
- (b) in sub-paragraph (6), for “Commission’s” (in both places where it occurs) substitute “CMA’s”.

**5.** In paragraph 8 (general duty of the Authority to keep matters under review), in sub-paragraph (c), for “OFT” substitute “CMA”.
